DOCKET FILE COPY ORIGINAL

To The FCC:

I understand that the Wisconsin DO NOT CALL List is again threatened by the telemarketers filing another petition. Specifically (CBA) <sup>Consumer Bankers Assn.</sup>

I am extremely protected by the Wis. Do Not Call list and am strongly advising you against caving in to their demands.

The current WI DO NOT CALL list has been protecting me for several years against these aggravating, pervasive vultures who once called and invaded my privacy not only daily but multiple times per day. It was the ONLY reason I got an answering machine. Now, when my phone rings I am confident that it will be a friend or relative on the other end.

Please do not allow changes to our current law by allowing out of state callers to again invade my privacy every day at any hour they please.

I am currently on the WI and the Federal DO NOT CALL lists. I want No change in that.

Additionally, has anyone, EVER, had any consideration for the abnormal person who has a phone? I know people who are affected quite adversely or are actual victims of these telemarketing vultures. They are people who are vulnerable in one way or another. One I know used to keep changing phone numbers to avoid all the calls - a silence on the other end someone selling something.

It is disgusting that telemarketers want to insist on invading my privacy with their pervasive calls. Because I have a phone gives NO ONE the right to harass me. There are laws against telephone harassment. Telemarketers should abide by those laws and face harassment charges.

Wisconsin Needs the Do Not Call list and the power it gives me to NOT have to be bothered, disturbed, harassed, coerced by a ringing phone with some inane caller with some inane service or product to offer.

My last resort will be to disconnect my phone to protect myself and others who feel like I do. If 80% of WI. phone owners are on our list, doesn't that tell you that we want our list unchanged by the FCC and I encourage you to deny the Petition of the Consumer Bankers Assn (CBA). Tell them to leave us alone!

Sincerely,  
Claudia J. Nelson

I have elected to comment on Docket No. 02-278, a Petition for Declaratory Ruling asking the Commission to preempt certain sections of the Wisconsin Statutes and Wisconsin Administrative Code as it applied to interstate telephone calls.

I understand that I am making a public filing. Any information that I submit will be available to the general public.

My Comment to the FCC

Please, leave the Wisconsin Laws alone regarding telemarketers calling private phone numbers. I became sick and tired of the near daily interruptions by these people. Being disabled and home most of the time seemed to put me on their "A List." I am bothered morning, noon, and night. The existing laws have given me a break from the annoyance. I'm afraid of the phone ringing constantly again. Prior to the "No Call List," I would receive calls almost every day, up to as many as 5 calls in one day. I urge you to leave things as they are.

If the Wisconsin Department of Agriculture, Trade and Consumer Protection, PO Box 8911, Madison WI 53708-8911 receives these comments, by July 29, 2005, the comments will be forwarded by DATCP to the FCC.

I support Wisconsin's No-call-list and request no changing it. Keep the way Governor Doyle is requesting - requesting the Commission to preempt certain sections of Wis. Statutes and leave it as is.
